A Heart For Giving...

Meet Victor, age 12. One night he overheard his parents at the dinner table as they were discussing the Sheepfold Texas. He knew immediately he wanted to get involved, helping local kids in need. He came up with a plan...to sell roses, with the proceeds going to the Sheepfold. He sold 71 roses at \$5 each. The net amount of his efforts, after paying for the roses, was \$226. And this isn't his first act of giving. Victor has helped raise funds for Buckner Family Place and the Animal Shelter. His parents are also very involved in the community, and have set a great example for this fine young man. They know they have been blessed with a son that has a big heart for giving to others. Thank you Victor for your generosity...you are an inspiration to us all!

Board member Paula Tobias receives Victor's generous gift.

A New Start

During this new year of my life at the Sheepfold, I have regained my relationship with God. The Sheepfold has helped me learn to have a better understanding of His word. Also the Sheepfold has helped me stay clean & sober and to appreciate the important things in life. I have learned how to have a better relationship with my daughter and how to cherish the moments with her. I now attend GED classes so I can be a responsible adult and have a chance to go to college, which is something I never thought I could do. I just want to thank you for helping me turn my life around.

Sincerely,

Sheepfold resident

This service that you perform is not only supplying the needs of the Lord's people but is also overflowing in many expressions of thanks to God...

Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.
